

# The method

## Basic rules

I AM THE GAME: apart from that, there's no essential rule, only accelerators: The only thing you can do is to be noticed and accelerate the process.

- I do not give a fuck to what ANYBODY thinks of me.
- I am the coolest guy on the planet, my game is perfect.
- The golden rule: she just wants to BE TAKEN.
- Follow your instinct WITHOUT FILTERING ANYTHING.
- Man = action.
- Women = reaction.

## The attitude

- The main goal: she gets out of it as much as you, she meets the COOLEST guy.
- Positivity: you are the coolest guy, EVERYBODY wants to please you. The only thing is to know it, nothing more, everything depends on YOU.
- The glory: give yourself the permission to be the coolest guy, you are the only one who can give it to yourself, nobody else.
- Pick up is not about women, it is about the EXPRESSION OF YOUR PERSONALITY. You are THE ONLY CONSTANT. If you express yourself with authenticity, everything else automatically fits in.

## The method

- **Dominance:** when you see the girl you say to yourself "Woo" then "She's for me" and you follow the vibe. She has to feel the danger to be taken soon. Frame: "it happens every time, I fuck every time, I am a walking object of desire". The main idea is to DOMINATE AND REPLACE the social pressure of the environment.
- **Fun:** the flow, a relaxed smile inside, gold coming from your mouth, nothing matters except from what you are doing in the present moment, it's like being drunk.
  - Physically: "Woo! Let's go!"

- Mentally: “How can I make it fun for me?”.
- DOMINATE the environment, being an ACTOR, not a SPECTATOR.
- Tools: The cyclone.
- **Role-playing / playfulness**: shock and awe, marriage, date, “you’re my new girlfriend”, “I need a model”...
- **Rhythm**: half of the time just amuse yourself, treating her like you’re not expecting anything from her, it is a natural push pull.
- **Harmony**: everybody wins. She has one of the most coolest guys she ever met.

## Openers

- Hi, I’m ALEXANDER (pronounced like you’re a celebrity).
- I find you’re adorable, I had to meet you.
- You seemed cool, so I came to see.
- Hey, I need a girlfriend.

## Physicality

- Happens naturally through your desire and dominance, just follow your desire.
- Instead of asking yourself “What should I do?”, ask yourself “What do I WANT to do?”
- The CLAW
- Being physical right from the beginning of the interaction

## Keep the interaction positive

- Filter theory
- The ball of positivity: “wait wait wait...”, “ok, cool, anyway”, “interesting...”, talk about the role playing to the group
- Five arbitrary questions

## Sticky points

- Leave without any reason: no precise goal
- nothing more to say: no roles
- not waiting for her to return if she goes away
- escalation: use your DESIRE
- there’s no obstacles, only cheerleaders

## Sub-communication

- Eye contact: do not look away, laser eyes.
- Voice tonality: TR/NR/BR
- Voice volume: speak through people.
